JOHN:

Thanks for the reply and the referral. I really appreciate the time you took to review this, as I'm sure you are a busy person. I will move forward with your recommendation to work with your court equipment licensee/manufacturer J.A.

Cissel/Century Sports.

You will definitely be seeing our unit at The Super Show. I feel certain we will be a finalist for Product of the Year.. I've had some enthusiastic response so far.

Best regards, Gil
